|-------|----------------------------------|---|---|-----------|
| 12.30 | St Austell Youth Band –          | St Austell has had a competitive Youth Band since the 1960s but our commitment to nurturing brass players for the future was cemented when our 'School of Brass' was formed in 1990. Through training brass players in schools & at the band room, we soon created one of the best youth bands in the country. Many of the players from the original group now play in the Senior Band, including the current Youth Band conductor, Anna Minear. Anna has been MD of the Youth Band since August 2015 & during that time has led the band to 3 victories at the West of England Bandsmen's Festival & 3 second places. The band look forward to attending this again in June. Anyone interested in booking the band or if children are interested in learning an instrument, Anna can be contacted via <a href="mailto:staustellband@googlemail.com">staustellband@googlemail.com</a> | Prismatic Light - Alan Fernie<br>Livin' On A Prayer - Bon Jovi - arr Alan Fernie<br>Lion King - Elton John - arr Frank Bernaerts<br>Rolling In The Deep - Adele - arr Alan Fernie<br>Great Movie Adventures - arr Michael Sweeney<br>Going Home - Mark Knopfler arr Alan Fernie<br>Final Countdown - Europe arr Alan Fernie |           |

| 4.55 | Joshua Bayode – Falmouth University    | My name is Bayode, I'm a rapper based in Falmouth that produces and writes UK hip-hop. I'm been living in Falmouth for almost three years and am I university studying popular music at the university. The majority I produce myself, and I work expanding my production knowledge to broaden my skills in other genres, to learn, adapt, and then integrate into my music to differentiate from standard UK hip-hop. A huge part of my why I love music is because of the emotional impact it can have on people. Before I wanted to become a rapper I wanted to be a film composer. Film music was the genre I resonated, with the most, it told a beautiful story giving meaning to scene particularly. scene When I started producing and rapping in | Own composition by Bayode   | Y |

|      |  | <p>university I began making music that's not just fun to listen, but make music that has a sense of purpose and meaning that film music. I wanted to change UK hip-hop by using elements from film music that make it strong, such as the orchestral instruments and interviewing melodies that make it so interesting to listen to. I wanted to combine with my faith and tell stories of the Christian faith through modern day music.</p> |  |   |
